The goalkeeping camp will be for kid's ages 11-14yrs of age. We will take kids at the age of 10yrs if those kids are physically able to play with the older kids. Please contact Chris for age approval for 10yr olds. We will work on the basics that are forgotten in a goalkeeper as well as work on advanced training as well. We will work on teaching your defenders to set up a proper wall at different spots on the field. We will work on proper footwork and try to increase the speed of a goalkeeper and defender.

Contact Chris L. Gentile at chris@ncsoccerhudson.com for questions and more details about the course.
